The Ferndale Cherry Blossom Festival is a citywide, collaborative celebration organized by the Ferndale Arts Commission. The festival is intended to nurture the relationship we share with our Japanese Sister City, Minami Boso, and to learn about and honor our cultural differences and commonalities, as well as beautify Ferndale with iconic Japanese flowering cherry trees.

The first annual tree plantings will begin in spring and fall 2015 along the trail behind the Phillips 66 Sports Complex. To donate a cherry tree(s), please complete the attached form and return it to the address below with a check for the total amount due, payable to the City of Ferndale. Please write 2015 Ferndale Cherry Blossom Festival on the memo line:
