Stormwater Technician

Salary: $4,108/month

The Stormwater Technician, under the direction of the Surface/Stormwater Manager, performs a variety of technical and administrative tasks to support and coordinate compliance with the Municipal Stormwater NPDES Phase II Program which governs stormwater permits, discharges, and related environmental regulatory requirements.

This position requires 2 years of experience working with stormwater facilities construction and inspection and/or a Bachelor’s degree with major course work in the physical or environmental sciences or a closely related area.

Visit website for complete details, job descriptions, and application instructions: www.cityofferndale.org or applications may be picked up at City Hall from 9:00 – 5:00 weekdays. A complete application consists of:

• A completed application form (6 pages)
• A resume
• A letter of interest

ONLY COMPLETE APPLICATIONS WILL BE CONSIDERED

The position is open until June 5, 2015
