CALL TO ORDER

Mayor Jensen called the special meeting to order at 5:30 p.m.

Before going into executive session to discuss real estate issues, Councilmember Reilly expressed concern regarding the absence of Councilmembers Hansen and Lavine. Since the Council would be taking no action at the conclusion of the executive session, he felt that all Councilmembers should be present for the discussion. Councilmember Landcastle disagreed, saying that since most everyone was there, it would be worthwhile to hold a review of the subject matter, and update the absent councilmembers when they returned.

After further discussion it was decided to hold the executive session regarding real estate issues at the next regular Council meeting to be held August 5th. The executive session will begin at 5:30 p.m.

ADJOURNMENT

There being no further scheduled business, the meeting was adjourned at 5:50 p.m.
