

Right-of-Entry Permit

Ferndale Terrace, Vista Drive to Hendrickson Avenue Project

Property Owner of Record: _____
Parcel Number: _____
Site Address: _____
Phone: _____
E-mail address: _____
Preferred method of contact: Telephone E-mail

The City of Ferndale is planning to perform a public works improvement project adjacent to your property.

The purpose for this right-of-entry is to allow the City and its assigns access to your property to complete environmental and engineering assessments, plus surveying work required to obtain permitting approval and site information necessary to complete design of the project.

I certify that I am the owner, or an owner's authorized agent, of the property described above. I grant, freely and without coercion, the right of access and entry to said property to the City of Ferndale, its agents, contractors, assigns, and subcontractors for the purpose of:

- Obtaining survey data;
- Completing site assessments;
- Identifying and delineating critical areas that may be impacted by the City's project; and
- Other required activities required to satisfy permit application and approval requirements

as needed for the Ferndale Terrace, Vista Drive to Hendrickson Project.

The City shall indemnify and hold harmless the property owner, successors, heirs, assigns, tenants, licensees and invitees from all claims, costs, damages, or expenses arising out of the negligence of the City and its agents, employees, officers, volunteers, and/or representatives as they pertain to the above-named project. Likewise, the property owner successors, heirs, assigns, tenants, licensees and invitees shall indemnify and hold harmless the City in the event of the negligence of the owner, his/her/its/their heirs, successors, and assigns, tenants, licensees and invitees causing such damage loss, or destruction. The City assumes no liability whatsoever for any alleged damage resulting subsequent to this agreement or from any source other than as set forth above.

It is understood that all areas disturbed by any part of work involved in this project shall be restored to an equal or better than original condition.

This Right-of-Entry will terminate upon completion of the work described above, or December 31, 2019, whichever occurs first.
