

**CITY OF FERNDALE, WASHINGTON**  
**REQUEST FOR QUALIFICATIONS – THORNTON TERRACE POND ENHANCEMENTS**

The City of Ferndale seeks Statements of Qualifications (SOQ) from firms experienced in stormwater design, planning, permitting, and construction-phase services for the Thornton Terrace Pond Enhancements project. Work will include stormwater retrofit and facility design, permitting and phased planning, bid-ready PS&E, and construction support. This design portion of the project is funded in part by a Washington State Department of Ecology grant.

Interested firms must submit one electronic PDF no later than 5:00 p.m., Friday, August 15, 2025. SOQs shall be delivered to the City Clerk, City of Ferndale, PO Box 936, Ferndale, WA 98248, or emailed to Public Works at [publicworks@cityofferndale.org](mailto:publicworks@cityofferndale.org).

The full RFQ, including evaluation criteria and grant requirements, is available at [www.cityofferndale.org](http://www.cityofferndale.org) under “Bids & RFQs” or by contacting Stephen Murdock, Stormwater Program Manager, (360) 685-2357, [stephenmurdock@cityofferndale.org](mailto:stephenmurdock@cityofferndale.org).

The City reserves the right to reject any submittals and to waive informalities. Minority- and women-owned firms are encouraged to respond.
