RESIDENT BUSINESS LICENSE APPLICATION INFORMATION (For businesses physically located inside Ferndale city limits only)

PLEASE RETAIN FOR FUTURE REFERENCE

Pursuant to Chapter 5.04 of the Ferndale Municipal Code (FMC), it is unlawful to engage in any business, calling, profession, trade, occupation, or activity in the City of Ferndale without first having secured the license to do so. If your place of business is located outside the city and you will be physically coming into the City of Ferndale to conduct business or to call on clients, you will need a City of Ferndale business license. Certain exemptions found in Chapter 5.04.100 FMC apply.

- While all business licenses are routed through applicable City Departments for comments prior to approval, it is strongly advised that you contact the Community Development Department at (360) 384-4006 before you apply for a business license to ensure that your business will be in conformance with City zoning and/or building regulations. Community Development staff can inform you as to what potential actions may need to be taken to satisfy code requirements. No business license will be issued until the Community Development Department has reviewed it for conformance WITH APPLICABLE REGULATIONS.
- Businesses involving a new use, change in use, or physical alteration to the building structure or site are likely to be subject to a formal Site Plan Review or Tenant Improvement process to assure that all zoning and building regulations are complied with, and all applicable fees are paid prior to business license issuance. If a Site Plan or Tenant Improvement review is required, the business license will not be issued until the Site Plan or Tenant Improvement is deemed approved by the Community Development Department.
- To apply for a "NEW" resident business license, complete the enclosed application and submit to the Finance Department with the applicable fee(s).
- To "RE-ACTIVATE" an expired business license, with no changes to your application, mail in a check for the appropriate amount with your account number listed on the check.
- > Typically, new business license review may take approximately 1-2 weeks, unless other issues arise.
- Business licenses expire at the end of the calendar year in which they were obtained and must be renewed every year. A late-fee will be imposed if business licenses are not renewed by January 31st of each calendar year.
- For a Unified Business Identifier (UBI) #, please call the State of Washington/Master Licensing Service 1-800-451-7985 or for generally faster service, apply online at bls.dor.wa.gov/
- For a Federal/EIN#, please contact the Internal Revenue Service: (800) 829-3676
