

In 2022, the Ferndale Chamber of Commerce distributed two rounds of business interruption grants to Ferndale businesses.

The first round was distributed in March 2022 and was \$10,000 grants to each of these businesses. Eligible businesses needed to demonstrate revenue losses directly related to the pandemic:

- Al's Downtown Diner
- Bella Boutique & Consignment
- Fringe Brewing
- Ideation
- Outlaws BBQ, LLC
- Outlaws Saloon
- Riverside Bar & Grill
- Satori Massage
- Tacos Guadalajara
- Westside Pizza

The second round was distributed in April 2022 to these businesses:

- Downtime Taps
- Salt of the Earth Massage
- Flow Motion

As part of the process, the Ferndale Chamber took a facilitation fee to reimburse their staff time coordinating the grant process and the Chamber returned the funds that they were not able to distribute.
